

POLICY GUIDELINES ON PROFESSIONAL WORK ATTIRE

At Puravankara, we take pride in presenting a thoroughly corporate and professional demeanour at work. “Elegant and Smart Home Spaces” is what we build and sell, and that should be highly reflective in our professional attire. To articulate this in a very simple form, it means, adopting to appropriate and commonly accepted standards of dressing and grooming that reflects a positive image of the company, for our customers, business partners/associates and colleagues.

Remember, every Puravankara employee is “A Brand Ambassador” of the company!

In essence, we are redefining the general guidelines for professional work attire for both Men and Women.
