

PERFORMANCE MANAGEMENT POLICY

1.OBJECTIVE

- To evaluate the Performance of employees and align individuals' goals towards achieving business objectives.
- Identifying Training and Development needs in order to build competencies critical to job and to the position.
- Reward performance and to build a platform for career development and promotions within the organization.
- Helps a feedback system in the organization.
- To provide every employee with the conditions and opportunities to assume greater responsibilities in the organization

2.SCOPE

Applicable to employees at all grades who have joined on or before 30th September.

3. POLICY

- Every year, the access to online Performance Appraisal will be given to respective reporting managers by the HR Department for a limited period. The online forms are duly filled-in in all aspects and completed before the stipulated time frame.

Performance Rating Scores:-

Significantly Exceeded Expectations (SEE)	= 5
Exceeded Expectations (EE)	= 4
Met Expectations (ME)	= 3
Met Some Expectations (MSE)	= 2
Not Met Expectations (NE)	= 1

The Head HR shall evaluate employees eligible for promotion vis-a-vis the rating given by the reviewer keeping in mind the following aspects:

- Performance shall be given more emphasis than seniority.
- Apart from performance, appropriate weightage may be given to seniority, ability to work in other departments and academic qualifications acquired in the present level etc.
- Once analysis on ratings is completed a list of eligible employees will be prepared in the order of their ranking. The Head HR will include his recommendations and forward the same to the Management for approval.
- Promotions of employees will be based solely on the performance of an employee.

- Promotion at all levels in the organization shall be done through Performance Management System – Performance Grid.
- Final decision on appraisals / promotions will be at the discretion of the Management.

4. PROCEDURE

- Performance Grid - PMS access is given by HR Department to all eligible employees.
- Every employee completes his Self-Appraisal in stipulated time.
- HOD will enter his views on the employee's performance. A joint meeting is scheduled between the Appraiser and the Appraisee, by the appraiser for this purpose.
- Training Evaluation would be a part of the Performance Appraisal process.
- Final review of Appraisal takes place between HOD and HR.
- After review process gets completed, Appraisals feedback are analyzed by HR Department.
- Analysis of Performance Ratings is sent to the HOD for normalization wherever required. Based on the analysis final increments and promotions are decided.

PROCESS FLOW FOR PERFORMANCE MANAGEMENT
