

Employee Relocation Policy

There may be business demands that might require employees to be relocated from one location to another from time to time. While such movements are part of any growing organization, as an employee-friendly company, the company will provide support and assistance to the extent possible towards making such relocations hassle-free.

Objective:

This policy is designed to assist employees and / or new hires who are being transferred or requested to be relocated by the company to support business needs. Assistance provided includes shifting of household goods, temporary accommodation, and travel arrangements. All assistance provided is at the discretion of the Company and facilitated by Administration.

Scope: This policy is applicable across the entire group.
